

Who must pay estimated tax?

A fiduciary for an estate or trust must pay estimated North Dakota income tax for the 2005 tax year if all four of the following conditions apply:

1. The fiduciary is required to pay estimated federal income tax for the 2005 tax year. This condition applies whether or not the fiduciary actually makes the required payment(s) of estimated tax to the Internal Revenue Service.
2. The fiduciary's net tax liability for the 2004 tax year was equal to or more than \$500.

Note: If the fiduciary was not required to file a North Dakota income tax return for the 2004 tax year, the fiduciary's net tax liability is zero for purposes of this condition.

3. The fiduciary expects to owe (after subtracting any estimated North Dakota income tax withholding) an amount equal to or more than \$500 for the 2005 tax year.
4. The fiduciary expects North Dakota income tax withholding for the 2005 tax year to be less than the smaller of:
 - a. 90% of the net tax liability for the 2005 tax year.
 - b. 100% of the net tax liability for the 2004 tax year.

Note: If the estate or trust was not in existence for the entire 2004 tax year, part b does not apply; the 90% threshold in part a must be applied.

How to determine the estimated tax

Complete the worksheet on page 2. The worksheet is set up only for fiduciaries who will use Schedule 1 of Form 38 for the 2005 tax year. See "**Schedule 2 (Optional method)**" below if Schedule 2 of Form 38 will be used to calculate the tax for the 2005 tax year.

For line 1 of the worksheet, estimate the federal taxable income using the 2005 Form 1041-ES, the federal estimated tax form for estates and trusts. See the instructions to Schedule 1 of the 2004 Form 38 for information on the adjustments on lines 2 and 4, and the credits on line 7, of the worksheet.

Schedule 2 (Optional method). If Schedule 2 of Form 38 will be used for the 2005 tax year, use a 2004 Form 38 to calculate an estimated North Dakota income tax (after credits but before subtracting any withholding). Enter this amount on line 8 of the worksheet on page 2, and complete lines 9 through 14 as instructed. Skip lines 15 through 19.

Payment amounts and due dates

In general, one-fourth (25%) of the total estimated tax required to be paid (from line 14 of the worksheet) for the 2005 tax year must be paid by each of the following due dates:

- | | |
|-------------------|--------------------|
| • 1st installment | April 15, 2005 |
| • 2nd installment | June 15, 2005 |
| • 3rd installment | September 15, 2005 |
| • 4th installment | January 15, 2006 |

The above due dates apply if the fiduciary's tax year is a calendar year—January 1 through December 31, 2005. However, if the tax year is a fiscal year—i.e., the tax year starts on a day other than January 1—the installments are due on the 15th day of the 4th, 6th, and 9th months of the current tax year, and the 15th day of the 1st month of the following tax year. If any installment due date falls on a Saturday, Sunday, or legal holiday, the installment is not due until the next business day.

Farmer—If the fiduciary qualifies as a farmer for federal estimated income tax purposes for the 2005 tax year, the fiduciary may pay the estimated tax according to the general rules explained above, or the fiduciary may pay the full amount of the estimated tax due by January 15, 2006.

Note: Regardless of the option chosen, the fiduciary has until the regular due date to file the 2005 North Dakota fiduciary income tax return.

Part-year requirement—If a fiduciary for a nonresident estate or trust, or an estate or trust that was created during the tax year, does not receive income from North Dakota sources until after the first installment due date, the fiduciary must pay the required estimated tax in equal payments over the remaining installment due dates following the receipt of income from North Dakota sources.

How and where to pay

Complete the estimated tax payment voucher for the applicable installment due date and submit it along with a check or money order made payable to the "ND State Tax Commissioner." To ensure proper credit, please write the federal employer identification number and "2005 Form 401-ES" on the check or money order. Mail the payment and voucher to:

Office of State Tax Commissioner

Bismarck, ND 58505-0599

Underpayment or late payment interest

Interest may be charged if not enough estimated tax is paid, or if the payment is not made on time or in the required amount. This applies even if there is a refund on the North Dakota fiduciary income tax return for the 2005 tax year. Interest is calculated at the rate of 12% per year from the installment due date to the earlier of the date the estimated tax is paid or the regular due date of the return.
